let and const?
YES
Student of Piyush Garg
Interviewer: Does h hap for l and cpnt?
Yes/No
YES
70% Rejected
Interview: Asked to me
let & const is hoisted
no, its not. you dont even know
let & const = Hoisting = YES
specifical = Temporal DeadZone
let and const
console.log(age)
let age = 24
age is not defined
Cannot access 'age' before initialization
let age = 24
Promises
setTimeout
setInterval
for loop
do while
while
